RE: Rose Camilleri v. Zales Corporation, 12 CV 3298

Dear Hon. Cathy Seibel,

I am writing to request an additional extension on filing my complaint. Since my last fax I've been diagnosed with advanced stage lung cancer. I am currently receiving treatments on a daily basis. If treatments go well I will most likely have surgery in approximately 10 weeks. Unfortunately, I've been devoting all of my time and energy to my treatments and have not been able to secure a new lawyer to represent me. This is a very difficult time for me and my family and I would really appreciate your consideration in this matter.

Sincerely,

Rose Camilleri

Plaintiff's time to amend (either pro se or through new counsel) is extended to 5/10/13. Answer due 5/31/13.
